Our school initiatives are on track to meet or exceed our targets

During 2017, we focused on maximising the benefits of this funding for our students. It is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our initiatives to ensure that every student succeeds.

Initiatives implemented include:

- Writing professional development for whole staff to ignite the writing journey and create sense of urgency and excitement in developing whole of school writing program.
- Enhance teacher capability and expand use of ICT innovations and online learning experiences with increased online learning resources (including Reading Eggs and Maths Reflex across the college) for students to use at school and at home.
- Evidenced Based Plans in partnership with parents for students who are below NMS
- Increase the percentage of students in Mathematics and English achieving C or above in Prep (Making Connections) through to Year 4 to 80%.
- Expanded the current intervention programs that are responsive to student performance data, to include a greater number of children in support/intervention programs
- Increase the percentage of students achieving above the national minimum standard in number from 94% to 98% in year 3 and 5.

Our school initiatives are showing substantial progress toward our targets
