

CREATE
How can I create a range of artworks developing my skills?

Productive Partnerships

Open Afternoon

INVESTIGATE
How can I use my five senses to observe how objects move?

Science V9

Earth & space sciences
Students use their senses to describe how objects move and how factors including size, shape or material influence their movement.

English V9

Students will talk about a familiar book.

The Arts Specialist

Students will explore the terms Rhythm, Pitch, Dynamics, Form and Texture through a series of activities.

Prep Term 1 2025

Technologies

Students will be exposed to a range of Technologies through hand on experiences, narratives and inquiry learning

Languages

Students begin to engage with the Italian language and culture. They will explore the similarities and differences in greeting others

COMMUNICATE
How can I speak clearly about a familiar book?

4Cs

- Care for yourself
- Care for others
- Care for your learning
- Care for your school

THINK
How many different ways can I show a number?

Prep Team

Lyndsay Hackney, Alana Holmes, Shannon Waters, Sally White, Angela Street, Rebecca Clayton, Gill Andrew, Jenny Adams (STARS), Randell Hardy (DP), Jody Johnston (HOD/C)

REFLECT
How can I reflect on my choices in the classroom?

HASS V9

My World is Special
Students identify significant people and events in their own lives and how significant events are celebrated or commemorated

HEALTH

Students recognise emotions and describe situations that may evoke these emotions.

PE

Students engage in variety of games developing control, strength, accuracy, and increasing confidence.

Maths

Students will develop understanding of number & place value, patterns & algebra, units of measurement and location & direction

PARTICIPATE
How will I care for myself, others, my classroom and my learning?

V9 Australian Curriculum Information for Parents and Carers
