## PARTICIPATE

How can I be an active participant in my class?

## HASS Rule makers

Students will describe the importance of rules and people's contributions to communities.

## HEALTH

Students identify the influences that strengthen their identity as they grow.

## PE: Hockey

Students apply strategies for working cooperatively and applying rules fairly. They refine striking and fielding skills in active play and games.

## Science

### We will ROCK You!

Students will describe the observable properties of soil, rocks and minerals and describe their importance as a resource.

## COMMUNICATE

How can I communicate my characters emotion in drama?

## 4Cs

Care for Yourself  
Care for Others  
Care for your learning  
Care for your school

## TECHNOLOGY

Students will explore digital systems including devices and digital tools.
