

CREATE
What language features will I use in my writing to create an informative text relating to a natural disaster.

Productive Partnerships

- Coastal Discovery Van
- Sunshine Coast Council natural disaster presentation
- Culminating 18th June 2pm

INVESTIGATE
Investigate why the Sunshine Coast waterways and coastline are changing over time.

English
INFORMATION REPORT
Students will create an informative text on a severe weather event.

Science
COAST TO COAST
Students will explore how the Sunshine Coast waterways and coastline have changed over time describing how weathering, erosion, transportation and deposition cause slow or rapid change to Earth's surface.

The Arts
MUSIC- Keyboarding
In this unit, melodic and rhythmic components of composition are explored. Students work in small groups to create musical compositions

Year 5 Term 2 2026

Technologies
DESIGN FOR NATURE
Students design a product to meet an identified need or opportunity for wildlife in their local area.

REFLECT
What changes could I make to improve my product, using the design process?

Languages
ITALIAN:GLI ANIMALI AUSTRALIANI
Students learn how to describe the appearance and habits of Australian animals in Italian. They create a book about Australian animals for Italian children.

4Cs

- Care for yourself
- Care for others
- Care for your learning
- Care for your school

THINK
How can I check the reasonableness of my multiplication strategies?

Year 5 Team

Sarah Barker, Kate Cuthbert, Brad Jen, Scott McKay, Emily Burnett, Sarah Lucas, Natasha Wolski, Gaye McKee (STaRs), Megan James & Laura Blake (ST:LaN), Amanda Shone (HODC) and Kristy Walton (DP)

COMMUNICATE
Communicate their ideas and findings on the local waterways and coastline.

HASS
Managing Severe Weather Events
Students will explain the management of severe weather events and their consequences in Australia.

Health
To explain how factors influence identities and develop strategies for managing emotions and changes.

PE
Students will perform movement and skills for athletics

Maths
UNIT 2
Students will explore number & algebra, fractions & decimals, patterns & algebra, shape, location & transformation, geometric reasoning, and data representation & interpretation.

PARTICIPATE
How will I be an active participant using persistence, organisation and teamwork in learning activities?

YOU CAN DO IT!
Students will explore relationships including values, character strength and getting along skills.
